

Supply List for Upcoming Second Grade Students

If you and your family wish to get a head start in preparing for the second grade, we have compiled a general supply list for you. Please keep in mind that the supplies mentioned below are welcomed by all of the second grade teachers. However, a more custom supply list will be sent to you over the summer as teachers introduce themselves and help you prepare for our more individualized classroom needs.

Here is a list of supplies that can help you begin second grade at the Rose L. MacDonald School:

- sharpened pencils and erasers
- a pencil sharpener (one that has a container for pencil shavings)
- a 24-count box of crayons
- glue sticks (at least 3 for yourself, extras are optional for a classroom supply)
- a pair of scissors (please write your name on it)
- a soft supply container that will fit in your desk to hold the supplies
- a 12-inch ruler marked in inches and centimeters

*****Remember, our desks are small. Please do not bring in notebooks or binders.*****

Enjoy your summer!

See you in September,
